**Save the date - nutritionDay 2015:**

**19. November 2015**

#### Download ICU Report

The ICU Reports of 2014 are now available for download from the nutritionDay website.

To download your ICU unit Report please click the [Link](#) or go to: nutritionDay Website [www.nutritionDay.org](http://www.nutritionDay.org) → My nDay Login → Report/Download → ICU nDay Reports2014 → enter your Data entry code (centrecodeICUunitcode) and Password (Unit code) and select "Reports".

On **November 19<sup>th</sup> 2015 nutritionDay** is performed worldwide! Be part of it and support us in improving the nutritional status in hospitals and nursing homes.

#### Ethics committee: Positive Votum for nutritionDay oncology 2015

The ethics committee of the Medical University of Vienna has **extended** the **validity of the vote** for nutritionDay oncology 2015. The positive approval is available here → [approval oncology 2015](#)

#### Positive vote of the ethics committee

All positive votes of the ethics committee of the Medical University of Vienna are available on our website. These may be applicable also for your country.

Please contact an ethics Committee in your country in time if the approval is not sufficient!

**If you received a positive vote from an ethics committee in your country please send it to the nutritionDay office to also make it available for the other participants.**

## nutritionDay in hospitals - National Reports

National reports of those countries with 6 or more participating units are provided on the nD website for download. National results are compared to our international reference database.

Find more information here: <http://www.nutritionday.org/index.php?id=457>

**Thank you for your support!**

**We want to thank you for your excellent cooperation!**
