

CERTIFICATE

HTG-Intensiv 13B (Klin. Abteilung für Herz-Thorax-Gefäß-Chirurgische Anästhesie & Intensivmedizin)

has participated in **2012**
in the annual worldwide **hospital nutrition benchmarking programme**
and fulfilled criteria to obtain this certificate.

This unit has contributed information to maintain and improve the quality of
nutritional care in the **nutritionDay** programme in hospitals worldwide.

nutritionDay is a 1-day audit which allows comparison between similar
units and supports knowledge and awareness on nutritional care
for hospital patients.
