LATEST NEWS

Awarded best second abstract at Nutrition 2019

The nDay team guided by Prof Volkert from the Friedrich-Alexander-Universität Erlangen-Nürnberg (FAU) has been awarded with best second abstract at Nutrition 2019 (Bregenz) "Severe cognitive limitations and immobility increase the risk of malnutrition in German nursing home residents - results of the nutritionDay project"

nDay National Reports 2018 are now available online

National Reports for countries participating to nDay with more than 6 units are available on line on the nDay website. Find out about results in your country and compare them to your unit's data. Contact the national coordinator of your country for new initiatives.

Download the new nDay Flyer in your language!

Download the new nDay flyer 2019 available in more than 10 languages! Share it among your contacts, in your hospital, or on social media. You can also request it in another language by simply writing us an email! Save the date!
